**Summary of the Event**  
World Pollution Control Day was observed in our Institution on 2nd December, 2022, with an aim to raise awareness among the B.Ed and M.Ed student teachers about the increasing air pollution and educating them about how to control it. In order to observe world pollution control day two major events were planned i.e, Tree

plantation in the college campus and Removing plastics from the college campus to ensure plastic free environment. The volunteers of Eco-club, Student teachers of Education Biological science department and M.Ed Second year students have participated in Tree Plantation and in removing plastics from college campus, garden etc.,

During the introductory session the following points were emphasized among the students teachers such as, the significance of maintaining pollution free environment and the steps to follow to prevent all types of pollution. The student teachers were insisted to follow the following steps to maintain pollution free environment. Such as

- ❖ Using Public transport
- ❖ Reducing usage of lights in the classroom where natural light is available
- ❖ Turn off lights, fans, computer monitors and taps when they are not in use.
- ❖ Re-use, repair and repurpose instead of buying new ones
- ❖ Avoid the usage of plastics, keep the environment plastic free
- ❖ Plant more number of trees.
- ❖ Avoid burning Garbage, dry leaves, trash and other materials.
- ❖ Make your own cleaning products.

## Herbal Garden

Herbal garden was created on 05.12.2022 at Lady Willingdon IASE college campus. Generally the herbal garden consists of all the herbs which have medicinal and aromatic properties. ### Summary of the Event

National Mathematics Day was celebrated on 22nd December 2002 on behalf of department of Mathematics, Lady Willingdon IASE to mark the birth anniversary of the great Indian Mathematician, Srinivasa Ramanujan and his contribution to the field of mathematics. At a very young age, Srinivasa Ramanujan showed signs of an unfolding genius, and his contributions regarding fractions, infinite series, number theory, mathematical analysis, etc. The aim of the celebration was to make our students aware of the development of Mathematics and its importance in the growth of humanity. On that day Mathematics Club inauguration was also conducted by our institution where teaching aids of Maths and various tools were presented. Further our students performed dance and drama in order to foster Mathematics knowledge.

### Summary of the Event

On account of our esteemed Institution's centenary year celebration, the department of English and Scrabble club conducted a 'Scrabble workshop' for the student-teachers of B.Ed and M.Ed on 28th of December 2022. The aim of this workshop was to elevate the curiosity and interest of the student-teachers to learn the game with winning spirits. The basic objective of Scrabble is to play tiles marked with letters on a 15x15 grid to form words. After the initial word is played, players take turns adding words to existing letters.

The resource person Mr. Ranganatha Chakravarthy renounced champion in the Scrabble game, conducted the session starting with a presentation about the game, its scope, and its uses. His speech about how essential the game would be to developing language skills and other cognitive skills had a great impact on the student-teachers. The speech was followed by a game session where the student teachers were divided into groups of 4 to play the game. It was an exhilarating experience to learn such a critical game with the guidance of an expert like Mr. Ranganatha Chakravarthy. He supervised every player and gave necessary tips and motivated them to play the game with full enthusiasm and interest. The workshop ended with a feedback session where many student-teachers share their views of the game and how they will impart this game to their future students. On the whole 'The scrabble workshop' was an absolute success in all ways.

## Special School Visit

Special school visit was organized for our B.Ed first year student teachers on 10.01.2023. The aim of this special school visit was to gain knowledge about the teaching methods and learning materials used for special students. Our students visited two special schools in Chennai namely The Clarke School and CSI Higher Secondary School for Deaf . ### Summary of the Event

Pongal is the harvest festival of Tamil Nadu celebrated on the first day of Tamil month Thai festival to thank God for his goodness and Mercy to look forward to the prosperous year. As the part of centenary celebration of our Esteem College the Pongal festival was celebrated on 11th January 2023 in lady willingdon Institute of Advanced study in education between 10:00 a.m. to 4:30 p.m. Our students celebrated Samathuva Pongal at our college premises. The aim of this celebration was to know about cultural heritage of Tamil Nadu and how to transfer to next generation. The students were asked to come in a traditional attire the college was decorated with colourful and traditional rangoli and maavilai thooranam. The first event of the celebration was lighting of firewood by our Principal mam Dr.M.S.Thillainayaki as a chief guest to keep a traditional Pongal in pot, once the milk started to boiled and overflowed as a part of the tradition the student crowd cooed pongalo Pongal to express the joy and Unity. In between the Pongal preparation various sports games like kayiru izuthal, uriyadi, thaneer niraputhal, find the elephant eye, Murukku kadithal games were conducted and enjoyed. Various cultural programs like folk dance kummi dance, Villu Pattu, folk song were conducted. After the Pongal was prepared, it was offered to God sun as a part of our respect and love. The devoted Pongal was distributed to all the staff and students of the college. The program was closed by the Thanks giving and national anthem. This samathuva Pongal celebration gives us lot of joy and enjoyment which leads to a field of Oneness and equality among everyone.

## YOGA

Yoga is a practice that connects the body, breath, and mind and brings physical postures, breathing exercises, and meditation to improve overall health. Yoga was developed as a spiritual practice thousands of years ago. Nowadays yoga is practiced and included in teaching and learning process. In Lady Willingdon IASE, trained yoga teachers come and do practice for our students every week.

### Summary of the Event

Every year, National Science Day is celebrated by Lady Willingdon IASE with the aim to inculcate scientific attitude and scientific temper among our students teacher. For the academic year 2022-2023, our students had a field visit to Egmore Museum, Chennai in order to pay tribute to Dr. C.V. Raman for his discovery Raman Effect. Science is the tool that gives the power to change society and drives genesis. C.V. Raman's path-breaking discovery of the Raman Effect opened doors to many truths and possibilities. The Government Museum, Chennai, or the Madras Museum, is a museum of human history and culture located in the Government Museum Complex in the neighbourhood of Egmore in Chennai, Tamil Nadu. Further started in 1851, it is the second oldest museum in India. The massive collections of the Egmore museum are housed in several different buildings, with sections devoted to anthropology, stone sculptures, bronzes, zoology, natural history, numismatics, national art and even a children's museum in the premises. This field visit to museum highly motivate the students towards new ideas in their teaching and learning process.

### Summary of the Event

International Year of Millets 2023 was organized by our college Lady Willingdon IASE. 2023 is observed as the International Year of Millets after India's proposal to the Food and Agricultural Organization (FAO) was approved. The Indian policymakers have enacted several policies towards millet farming systems and to create an enabling environment for the farmers. The International Year of Millets 2023 is an opportunity to raise awareness of the multiple benefits of millets, from nutrition and health to environmental sustainability and economic development with the aim to create awareness and increase production and consumption of millets, at the behest of the Government of India, declared 2023 the International Year Millets.

International Year of Millets 2023 is being celebrated across the globe to promote the use of millets, which are a valuable source of nutrition and have the potential to help combat hunger and malnutrition. Millets are a group of small-seeded cereals, including pearl millet, finger millet, foxtail millet, sorghum, and proso millet. They are highly nutritious, gluten-free grains that are rich in fiber, minerals, and vitamins. Our students eagerly participated and cooked their food by using millets. Our chief guest selected the valuable food items and announced prizes.

### Summary of the Event

Every year Lady Willingdon IASE creates opportunities for our M.Ed and B.Ed second year students to attend open interview through placement cell at our own campus. On 15.04.2023, Campus interview was organized for the academic year 2022-2023. The major objective of this campus recruitment was to identify the talented and qualified student teachers before they complete their education and recruit them to meet the workforce needs of school environment. This platform can help our student teachers to develop their communication, leadership, problem-solving, and teamwork skills, as well as prepare them for future career development. Various self-financing schools from Chennai, Thiruvallur, Kanchipuram and Chengalpattu districts took this opportunity and interviewed the student teachers for their reputed organization. 184 B.Ed and 6 M.Ed students were attended and got placement with good salary.

### Summary of the Event

ECO Club of Lady Willingdon IASE along with Tamil Nadu NGO and Sugam Welfare Trust celebrated “Tree Year“ with planting 100 tree sampling. The aim of this celebration was to aware about preventing trees because of it gives oxygen for human beings. The motto taken from this program was that

- ❖ Trees give off oxygen that we need to breathe.
- ❖ Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding.
- ❖ Many species of wildlife depend on trees for habitat. Trees provide food, protection, and homes for many birds and mammals.

With regards 100 sampling were planted in front our college premises. Our students eagerly participated and created awareness towards public regarding afforestation is important.

### Summary of the Event

College day and Pavendar Bharathidasan's picture frame opening ceremony was celebrated at Lady Willingdon IASE on 24.04.2023. The resource person was Dr. Thamizhachi Thangapandian, Member of Parliament representing Chennai South, Tamil Nadu. And also she is an Indian Tamil poet, lyricist, orator, politician and writer. Our chief guest is opened Bharathidasan photo in our college to appreciate the poet for his sound contribution towards the people of Tamil Nadu . Bharadidasan, the great poet who was deeply influenced by the Tamil poet and freedom fighter, Mahakavi Subramania Bharathi, who mentored him and hence named himself Bharathidasan. Oue resource person revealed that his literary works on the creativity and clarity of Tamil language and literature lend a quintessential expression to his recuperative concerns. His innovative concerns take shape in his works. Bharathidasan wrote extensively on the empowerment of women. He had the deep urge to liberate women especially the women of Tamil Nadu from the manacles of social slavery. Bharathidasan has not only fought for socio-economic rights for women but also exposed the unique and humiliating situation a Tamilian woman has to face.

Women need literacy  
To run the household.  
They ought to be educated  
To bring up children well.  
Women should acquire knowledge  
To guard the world

The above lines are sound to hear from the poet which describes the empowerment of women said by the resource person who also distributed academic prizes for the students who achieved higher in their academic process.

**NATIONAL ANTI-TERRORISM DAY -21.05.2023**

Anti-Terrorism Day 2023: The day marks the death anniversary of former Prime Minister Rajiv Gandhi. He was assassinated on 21 May 1991. On 21 May, every year Anti Terrorism Day is observed to provide knowledge to the youth about terrorism, and its impact on human suffering, and lives. This day also makes people aware of an anti-social act of terrorism. The objective of the day is to promote national harmony, mitigate terrorism, and unite people of all castes, creeds, and sex. The day holds importance when it comes to 'terrorism'.

In our college we organised a Essay Writing Competition on National Anti Terrorism Day on 25.05.2023. The objectives of conducting the competition are,

- To spread the message of peace and humanity.
- To promote unity among the student teachers by planting a seed of unity among the people.
- To generate awareness in the country about the danger of terrorism, violence, and its dangerous effect on the people, society, and the whole country.

The topic of the essay writing competition is “MY VISION FOR FUTURE INDIA - THE PROSPEROUS AND PEACEFUL NATION” –நான் காண விரும்பும் எதிர்கால இந்தியா - வளமான அமைதி பூங்கா. The Competition conducted in both Tamil and English languages.

**WORLD DAY AGAINST CHILD LABOUR – 12 June 2023**

**Children are our future, let them grow**

## **Observation of World Day Against Child Labour**

World Day Against Child Labour is observed every year on June 12 to raise awareness about the urgency of eradicating child labour. On this day, governments, local authorities, civil society, international workers, employers and organizations get together to 'point out the child labour problem and define the guidelines to help child labourers'.

The theme for World Day Against Child Labour 2023 is '**Social Justice for All. End Child Labour!**'.

As a part of this, in our college all the faculty, student teachers and non-teaching staff took a pledge to mark the World Day Against Child Labour on Monday 12<sup>th</sup> June 2023.

## Demonstration Class

2022-2023

The demonstration method of teaching is a teaching strategy that involves showing student teachers how to perform in the classroom and carry out a technique of teaching. The expert demonstrates the topic while the student teachers observe, and then the student teachers are given the opportunity to practice it themselves. In Lady Willingdon Institute of Advanced Study in Education, demonstration class for B.Ed first year students held during the month of May. The experts from school for each subject have come and demonstrate the content from text book and peer groups also have taken the demonstration class.
